ORDERING INFORMATION AND DELIVERY

As shown above, we will be offering 4 varieties of poinsettias this year:

RED

WHITE

PINK

RED GLITTER

ALL ARE \$14.00 EACH

Nanticoke Gardens has suggested plants for us in a 6 1/2" pot, as they are considered a "premium" plant and will surpass the quality of any others found locally. These plants have a minimum of 5 blooms. All poinsettias come with a decorative foil sleeve.

We realize that Christmas seems a long way away, however, we need to give our final order to Nanticoke Gardens by November 8th. Please use the order form enclosed in the bulletin, and extras will be available in the Parish office. You may turn completed forms in a small envelope marked "Garden Ministry", to either the Parish office or drop them in the collection basket. Garden Ministry members will be available at a table in the social hall after all Masses on 10/26-27 and 11/2-3 to take orders and payment. Please make checks payable to "Church of the Holy Family". We will schedule delivery for the 1st week in December, and have the poinsettias available after all masses.

We sincerely hope that you will help us to have a successful fund-raiser in order to maintain and continue to beautify our Prayer Garden.

Thank-you,

Garden Ministry
